Program 2019

In 2019, course dates will be grouped by two consecutive weeks to allow students to choose a single week of courses or extend it by a second week, depending on their needs.

The basic, intermediate and advanced courses are 5 consecutive days, 8 hours each day for a total of 40 hours

The master classes are always 2 consecutive weeks totalling 80 hours.

Initiation weekends are also planned for people who want to discover the profession. Their duration is 16 hours.

Each course is limited to two or three student's maximum By doing this, it allows the instructor to dedicate more personal time to each student.

The course program will be "à la carte", according to requests. The topics covered will be:

- **Basic**, the first steps to the hand engraving techniques (beginner level).
- **Letters and monograms** (intermediate to advanced level)
- **Guns and knives engraving**: traditional scrolls, guimpes and rosaces (intermediate to advanced level)
- **Ornamental relief engraving** (advanced level)
- **The inlay of precious metals** (advanced level)
- **Sculpting (bas-relief) and inlay** (master-class)

Feel free to contact us for any further information regarding the detailed course program.
